*SCAPES (Land, Sea, Sky)*

Decorative Architectural Glass

## Color & Composition.

Bonnie Edelman's collection, *SCAPES*, consists of landscapes, seascapes and skyscapes whose specific forms have been blurred in order to direct viewers' focus toward colors and compositions.

Sublime and abstract, the photographs capture grain fields, sea horizons, and sunsets from around the world.

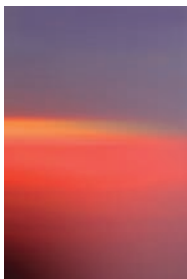

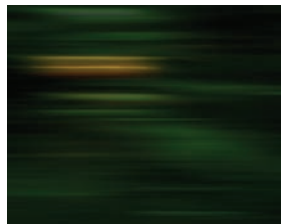

## High-resolution photographs

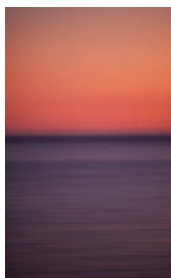

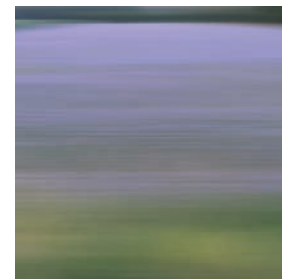

Choose from dozens of high-resolution photographs of different colors, regions, and themes.
