## WHO WE ARE

# SKYLINE

The people of Skyline are a small, accessible band of experts obsessed with the art, science, craft and discipline of glass fabrication.

We create glass for the widest range of applications in the market, while constantly refining our quality control, cost and time efficiencies.

Privately owned and operated out of Chicago since 1983.

## ONE STOP SHOP

Vertically integrated to keep many processes under one roof, Skyline maintains tight quality control while keeping lead times short and prices competitive. Every piece of glass that leaves our Chicago facility undergoes a rigorous review and approval process.

## MAKE IT EASY

Born as a custom house, collaborating with clients to create something new is our first language. Customizable solutions allow you to tailor everything from glass thickness and shapes to patterns, graphics, and textures to suit your specific requirements.

## IN-HOUSE SUPPORT

From initial concept discussions to final installation, our in-house support team is with you every step of the way to ensure that your experience is smooth as glass.
