

The background of the image is a modern office interior. On the left, there is a blue modular sofa with a geometric pattern. In front of it is a small round table. To the right, there is a glass partition that is currently transparent, showing the office furniture. The word "SKYLINE" is overlaid on the left side of the image in a large, bold, dark blue font. A thin white diagonal line runs from the top left corner towards the bottom right, passing behind the text.
